**NOTICE OF COMPLIANCE
FILING**

Pursuant to Arizona Corporation Commission ("Commission") Decision No. 71856 (September 1, 2010) ("Decision"), Tucson Electric Power Company ("TEP" or "Company") "... shall conduct a Request for Proposal for at least 50 Megawatts of wind power from an in-state wind generator, and file its results with the Commission for its review and consideration as part of Tucson Electric Power Company's 2012 REST Implementation Plan."¹ On April 18, 2011, TEP requested an extension of time to provide the Request for Proposal ("RFP") results until September 15, 2011. On August 24, 2011, the Commission approved TEP's extension request in Decision No. 72251.

In compliance with the Decision, TEP completed the RFP process, and is hereby providing directly to Staff summaries of the results that include the 2011 Arizona in-state wind bids², as well as the 2009 in-state and out-of state bids. Because the summaries contain confidential information, TEP is providing such summaries to Staff pursuant to the terms of the Protective Agreement for this docket.
